Ern Chern Khor (허은진/許恩甄)

Graduate School of Science and Technology Policy
Korea Advanced Institute of Science and Technology (KAIST)
Daejeon, South Korea
kec_1028@kaist.ac.kr | ernchern@protonmail.com

SUMMARY

I am a scholar in technology policy and computational social science. My research focuses on measuring and intervening in the societal impacts of AI and digital technologies, specifically investigating the uneven distribution of their benefits and harms across different parts of society. I use computational methods and analyze large-scale unstructured data to capture how people actually experience technology in the real world. My goal is to translate these empirical insights into evidence-based policies and practical interventions.

EDUCATION

Korea Advanced Institute of Science and Technology (KAIST)
Ph.D. Candidate, Science and Technology Policy (Expected: Feb 2027)
Dissertation: "*Artificial Intelligence Divide from a Sociotechnical Perspective: A Focus on Sustainability and Inclusion*"
Advisor: Moon Choi
Committee: Dasom Lee, Seokkyun Woo, Dongoh Park, Shin Yoo
GPA: 4.00/4.3 (97.00/100)

Korea Advanced Institute of Science and Technology (KAIST)
M.Sc., Science and Technology Policy, 2022
Thesis: "*An Exploratory Study on the Experience of Being Hacked Using Twitter Data*"
Advisor: Moon Choi
Committee: So Young Kim, Alice Oh
GPA: 4.00/4.3 (97.00/100)

Korea Advanced Institute of Science and Technology (KAIST)
B.Sc., Computer Science, 2020
Double Major in Business and Technology Management, 2020
GPA: 3.61/4.3 (93.10/100)

HONORS/AWARDS

2026. TJ McCallum Memorial Student Travel Award, The Gerontological Society of America (GSA).

2025–2026. Asia Policy Leadership Forum (APLF) Fellow, Salzburg Global.
https://www.salzburgglobal.org/newsroom/latest-news/announcing-the-first-cohort-of-the-asia-policy-leadership-forum

2025. KAIST College of Liberal Arts and Convergence Science Research Excellence Award.
https://lacs.kaist.ac.kr/pages/sub/sub05_03

2025. KAIST Q-Day Student Special Award (Internationalization).
https://www.tjb.co.kr/news04/category/view/id/89229

2023. Global Youth Leader, World Internet Conference (世界互联网大会).
https://subsites.chinadaily.com.cn/wic/2023-11/08/c_937322.htm

2022–2026. Hyundai Motor Chung Mong-Koo Global Scholarship (KRW 129,372,000).

2019. Delegate, Start-up Immersion Programme, Greater Bay Area International Institute for Innovations (GBA I3).

2019. Runner-up, KAIST International Entrepreneurship Summit (KIES) Business Case Competition, Case title: "Fuelling Our Future: Green Grid."

2020–2022. Global Korea Scholarship (GKS) (KRW 40,192,000).

2016–2020. Korean Government Scholarship Program (KGSP) (KRW 70,664,000).

RESEARCH EXPERIENCE

Project Title	<Mobility 100> Sustainable Mobility in Villages: Innovative Technologies and Policies for Super-Aged Societies (<모빌리티 100> 초고령 사회 지속가능한 마을단위 모빌리티 혁신기술과 정책 개발)
Period	2024–2026
Funding	KAIST Convergence Research Center
Job Title	Chief Research Assistant
Role	- Lead interdisciplinary coordination across engineering, design, and policy teams - Develop empirical research on the needs and challenges of mobility-disadvantaged older adults

Project Title	AI x Aging Society: A Thought Leadership Collaboration between ITU, EY, and KAIST
Period	2025–2026
Partners	International Telecommunication Union, Ernst & Young
Job Title	Chief Research Assistant

Role	- Conduct core research, including a literature review, quantitative and qualitative analysis, and case studies - Co-author and disseminate the findings of a flagship global report on AI and aging

Project Title	Digital Divide Intervention Using Artificial Intelligence and Gamification (인공지능과 게이미피케이션을 활용한 디지털 격차 개입 연구)
Period	2025–2026
Funding	NRF Korea
Job Title	Research Assistant
Role	- Develop interaction profiles of older users using large-scale audio data - Establish an evidence base on heterogeneity in older adults' AI interaction patterns

Project Title	Compassionate AI-IoT for Resilient Elder Care and Network System (인간-기술-데이터 통합기반 노쇠고령자 돌봄 솔루션: CARE-net)
Period	2025
Funding	Korea Health Industry Development Institute (한국보건산업진흥원)
Job Title	Research Assistant
Role	- Develop an index framework to evaluate older adults' compatibility with CARE-net services

Project Title	EQUALS Global Partnership for Gender Equality in the Digital Age
Period	2022–2025
Partners	International Telecommunication Union, UN Women
Job Title	Chief Research Assistant
Role	- Manage multi-country research activities and coordinate partners across UN agencies, academia, and industry - Co-edit a global report on gender equality in the digital age - Contribute to dissemination materials for international stakeholders

Project Title	Policy Research on AI for Social Good (사회적 공공선을 위한 인공지능 정책연구)
Period	2022
Funding	KISDI (정보통신정책연구원)
Job Title	Chief Research Assistant
Role	- Conduct policy landscape review and case studies on AI for social good - Produce a policy report outlining recommendations for AI governance

Project Title	Assessment and Mitigation of Digital Divide Among Older Adults Related to Mobility Services (디지털 전환 시대 모빌리티 서비스의 고령자 디지털 격차진단 및 해소방안 실증연구)
Period	2022
Funding	Economics, Humanities and Social Research Council (경제인문사회연구회)
Job Title	Chief Research Assistant

Role	- Identify drivers of the mobility-related digital divide among older adults - Design survey instruments and intervention protocols - Conduct intervention pilot training to enhance older adults' usage of digital mobility apps

Project Title	Future Smart Home Research Center (FUSH) (미래의 집 연구센터)
Period	2022
Funding	TAEJAE Research Foundation (태재연구재단)
Job Title	Chief Research Assistant
Role	- Generate evidence on family-level requirements for next-generation smart home systems - Identify relevant technological capabilities and limitations

Project Title	Korea–Switzerland Joint Education Program
Period	2022
Partners	Embassy of Switzerland in the Republic of Korea
Job Title	Intern
Role	- Collaborate closely with Swiss scholars through regular meetings and cross-cultural research exchanges - Deliver a prototype of an interest-based community platform for older adults in both countries https://youtu.be/76DP1d-SGHs https://kimcheese.org/necreate/

Project Title	EQUALS-EU: Europe's Regional Partnership for Gender Equality in the Digital Age
Period	2021–2022
Funding	EU Horizon 2020
Job Title	Research Assistant
Role	- Support cross-regional research on digital gender inclusion - Translate survey instruments and study materials for Korean participants

Project Title	Education in the Post-AI Era
Period	2021
Funding	KAIST
Job Title	Research Assistant
Role	- Conduct scenario-mapping on the future of education in an AI-integrated society - Produce internal reports and strategic discussions

Project Title	Indonesian Case Study: Investigate the Impact of Online Food Delivery Platforms on Waste Issues
Period	2020
Funding	KAIST Global Leadership Center

Job Title	Student Researcher (Team Name: Cynefin)
Role	- Conduct multi-city field research across three Indonesian urban areas, including surveys, interviews, and observational study - Identify structural challenges in local recycling and disposal systems - Produce a case report informing sustainable platform and waste governance strategies https://leadership.kaist.ac.kr/en/page/sub/sub_0504.do

Project Title	Cross-Domain Similarity Analysis for System-Of-Systems Collaboration Policy Formulation
Period	2019
Funding	KAIST GURP (Graduate-Undergraduate Research Program)
Job Title	Student Researcher
Role	- Collaborate with a PhD researcher on conceptual and analytical work related to system-of-systems development in disaster and emergency contexts - Establish preliminary requirements for system-of-systems coordination in disaster settings

TEACHING EXPERIENCE

Course Title	Aging and Technology Policy
Institution	KAIST
Period	2026
Job Title	Invited Lecturer
Instructor	Prof. Moon Choi (KAIST)
Role	- Lecture on the heterogeneity of older adults in their interactions with AI-powered public services - Demonstrate empirical research methods and findings that guide policy implications

Course Title	Internet Policy
Institution	KAIST
Period	2023
Job Title	Teaching Assistant
Instructor	Prof. Dongoh Park
Role	- Facilitate class discussions following each session's readings and themes - Coordinate student activities, including field visits

Course Title	Eliminating Exclusion and Advancing Women's Digital Rights (EQUALS-EU Summer School)
Institution	Gender Centre, Graduate Institute Geneva (IHEID)
Period	2023
Job Title	Invited Lecturer

Role	- Lecture on the levels of digital divide theory and demonstrate the gender dimensions in cybercrime victimization - Demonstrate empirical research methods and findings that guide policy implications - Communicate with students regarding challenges in their work

Course Title	Graduate School of Data Science Lunch Seminar
Institution	KAIST
Period	2022
Job Title	Invited Lecturer
Role	- Demonstrate linking theoretical foundation with empirical research methods to extract evidence to guide policy implications - Answer questions regarding the technical execution of research methods

Course Title	Utopia and Dystopia
Institution	KAIST
Period	2021
Job Title	Teaching Assistant
Instructor	Prof. Grant Fisher
Role	- Facilitate class discussions following each session's readings and themes - Provide support in the evaluation of student performance and submitted works

Course Title	STP (Science and Technology Policy) Book Club
Institution	KAIST
Period	2020–2021
Job Title	Tutor
Role	- Develop lists of books suitable for the book club members - Facilitate discussions following each session's readings and themes - Document the sessions https://behindsciences.kaist.ac.kr/2021/04/03/good-people-good-books-and-zoom-stp-online-book-club/

Course Title	AI, Big Data, and Society
Institution	KAIST
Period	2020
Job Title	Teaching Assistant
Instructor	Prof. Youjung Shin
Role	- Facilitate class discussions following each session's readings and themes - Provide support in the evaluation of student performance and submitted works

Course Title	School of Computing (SoC) Camp
Institution	KAIST
Period	2019
Job Title	Tutor
Role	- Coordinate and support activities for international computer science students from various universities

PROFESSIONAL PRESENTATIONS

2026. *AI Empowerment for Older People from a Gender Mainstreaming Perspective*. Invited Speaker and Panel Discussant, World Summit on the Information Society (WSIS) Forum 2026.

2026. Invited Scholar, Sociomaterial Transformations in Norway and East Asia (SoMaT) PhD School, travel and residency supported by the Research Council of Norway-INTPART Scheme.

2026. *AI* 케어콜 서비스는 노인과 어떻게 상호작용하는가*? (How does AI CareCall service interact with older adults?)*. Session Presenter and Panel Discussant, Korean Gerontological Society 2026 Spring Conference (2026년 한국노년학회 전기학술대회).

2026. Invited Scholar, Atlanta Academy on Science and Innovation Policy, travel and residency supported by the Georgia Tech Jimmy and Rosalynn Carter School of Public Policy. https://spp.gatech.edu/atlanta-academy/2026/cohort

2026. *Artificial Intelligence Patents and the Sustainable Development Goals: A Comparative Analysis of the United States and China*. Invited Speaker, SoMaT Webinar Series: Diversity in Norway & East Asia.

2025. *EQUALS Research Report 2025: Launch & The Path Forward*. Session Presenter at WSIS+20 High-Level Event.

2025. *A Comparative Analysis of Artificial Intelligence Patents within the Sustainable Development Goals Framework Using Large Language Models: United States vs. China*. Poster Presenter, Atlanta Conference on Science and Innovation Policy (ATLC) 2025.

2023. *Intergeneration Roundtable Dialogue*, Youth and Digital Future Forum. Invited Speaker and Panel Discussant, travel and residency supported by the World Internet Conference.

2023. *Automation of Elder Care*. CRAFT Session Co-Organizer, ACM Conference on Fairness, Accountability, and Transparency (ACM FAccT) 2023.

ACADEMIC SERVICE

Reviewer (2026). Innovation in Aging.
Reviewer (2026). Humanities and Social Sciences Communications.
Reviewer (2024–2026), The Gerontological Society of America (GSA) Annual Meeting.
Reviewer (2023–2026), The Association for Information Science and Technology (ASIS&T) Annual Meeting.

Session Chair and Reviewer (2025), The Atlanta Conference on Science and Innovation Policy (ATLC).
Reviewer (2025), Side Impact Challenge by Brian Impact.
Moderator (2023), Internet Governance Forum (IGF) Sessions.
Session Chair (2022), World Congress of Gerontechnology (ISG).
Documenter (2022), ACM FAccT CRAFT Session.

PROFESSIONAL MEMBERSHIPS

Gerontological Society of America (GSA)
Association for Public Policy Analysis and Management (APPAM)
International Society for Gerontechnology (ISG)
Association for Information Science and Technology (ASIS&T)
